At the James Baldwin School, we have seven Core Values that we use to ground the school as a community. They are shown in the image. Choose one and describe: what does the value mean to you? You may use personal experiences or things you may have learned previously to help you with your response.

Bring this completed form and the required documents to an upcoming open house. See the website for upcoming dates. The required documents ensure we provide you support and schedule you for the correct courses. As an alternative you can email this application and the required documents to 02M313_admissions@groups.schools.nyc.

The required documents are: a current high school transcript, one letter of recommendation, and a record of attendance (the RISA form for NYC public schools). A copy of the IEP is also requested for students who have one.

We will confirm receipt of this application and documentation via the email you included on this application, and will then reach out to schedule an interview with a staff member.
